**SCREEN to Acquire Land in Yasu, Shiga,
for Future Business Growth**

Kyoto, Japan – February 14, 2025 – SCREEN Holdings Co., Ltd. has decided to acquire land in Yasu City, Shiga Prefecture, in preparation for future business growth. Going forward, SCREEN will strategically invest in the site to use it effectively.

SCREEN regards the period of the current medium-term management plan, Value Up Further 2026, as a phase of investment to build a robust business foundation for new growth with the aim of achieving the Management Grand Design targets for the fiscal year ending March 31, 2033 of 1 trillion yen or more in net sales and an operating margin of 20% or above.

As part of this investment in growth, SCREEN has decided to acquire land in Yasu City, Shiga Prefecture, in preparation for future business expansion. Going forward, SCREEN will plan the construction of a new, environmentally friendly business site on the land with an eye to ensuring integration with the local community and synergy with the Group’s existing sites, aiming to promote collaboration with clients, open innovation, and productivity enhancement.

The land to be acquired

Overview of the land to be acquired

Location:	Tobaotsu, Yasu City, Shiga Prefecture, Japan
Area:	Approx. 130,000 m ² (For reference, the Hikone Site is approximately 210,000 m ²)
Investment:	Approx. 4.7 billion yen for land acquisition and phase 1 construction
Use:	As a new site for existing businesses, such as the semiconductor production equipment business, and new businesses, such as the advanced packaging business
Plans:	Land acquisition to take place in 2026
