Memorandum of Understanding of the SCREEN Group's Environmental Initiative

Company name:

Person in charge:

Our company understands the concept behind your green procurement standards, and agrees to the requests listed below.

Requests to which we are agreeing:

1. Implementation of the Environmental Initiative

As part of its environmental management initiative, our company has obtained third-party certification or that of another independent environmental conservation initiative.

(Initiative details: Check all items that are part of your environmental conservation initiative.)

Third party certification

Name of certification:

Name of third party:

Certified date:

Plan to obtain third party certification

We will obtain certification by _____ (date).

We will implement the following:

- (1) Define our company policy regarding environmental conservation;
- (2) Establish and implement certain environmental objectives, targets and plans;
- (3) Appoint a person in charge and establish an organizational structure for meeting these objectives;
- (4) Periodic assessment of applicable legal conformity and environmental activities;
- (5) Provide environmental education to our workers.

We will achieve these tasks by _____ (date).

2. Provision of Information on the Environmental Impact of Supplied Products

We understand the information on “(1) Prohibited substances,” “(2) Restricted substances” and “(3) Substances subject to monitoring,” as listed in “4.2 Reducing the Environmental Impact of Purchased Goods” in the Green Procurement Standards and we will promptly respond to any requests from your company for information on the substances contained in the products that we supply to you, as well as information on the use of these substances in our manufacturing processes. Furthermore, if we receive a request to submit a “Declaration of Non-Use of Prohibit Substances” as a result of our response, we will do so promptly.

Whenever there is an update on the Green Procurement Standards, we will comply with the latest edition. If this should become difficult, we will contact you immediately.
