We hereby declare that we will not include in any of the goods that we supply to the SCREEN Group, nor use in their manufacturing process, prohibited substances (at concentrations above the maximum allowable limit) as defined in the SCREEN Group's Green Procurement Standards, except as detailed in the exemptions in the same document.

If it transpires that any prohibited substance is present (or in excess of the maximum limit) in the supplied goods or used in the manufacturing process, we will report it to the SCREEN Group immediately.

If it transpires that any prohibited substance is present in a part that may come into contact with a human being, except as detailed in the exemptions in the SCREEN Group's Green Procurement Standards, we will report it to the SCREEN Group immediately.

Moreover, we will stay apprised of the latest upgrades to the prohibited substances list in the SCREEN Group's Green Procurement Standards. If it transpires that any such requirement is not complied with, we will report it to the SCREEN Group immediately.
