## **SCREEN Splits Singapore Group Company into Subsidiaries for Semiconductor Equipment and Graphic Arts Equipment Businesses**

Kyoto, Japan – February 24, 2017 – SCREEN Holdings Co., Ltd. announces it has split the group company SCREEN HD Singapore PTE. Ltd. into two companies: SCREEN SPE Singapore PTE. Ltd. and SCREEN Holdings Singapore PTE. Ltd. The aim of this split is to reinforce the sales and maintenance systems for SCREEN's semiconductor equipment and graphic arts equipment businesses. The new companies will begin operations on April 1, 2017.

After changing its company name from SCREEN HD Singapore PTE. Ltd. on April 1, SCREEN SPE Singapore PTE. Ltd. will become newly operational as a company dedicated to providing sales and maintenance services for semiconductor production equipment. Meanwhile, SCREEN Holdings Singapore PTE. Ltd. will be responsible for sales and maintenance services for graphic arts equipment (such as digital printing systems) and for PCB-related equipment. The strengthening of equipment sales and support functions enabled by the separation of these two business areas is expected to significantly increase the quality and specialization of services available to SCREEN customers in and around Singapore. It is a further step in SCREEN's ongoing plan to increase the satisfaction of its customers.
